

# OPEN DOOR PERSONNEL WORKERS COMP

## FLORENCE, SC

### **POLICY:**

If you are injured on the job your first step is to call Open Door Personnel and alert them of your injury. Call **803-960-6966** to report your injury and get your next step instructions. You must go to the facility on the paper below, failure to report to an approved Open Door facility could result in your worker compensation visit not being paid. You will have to submit a urine drug screen upon arrival to the medical facility. You will need to send Open Door Personnel your written statement of what happened within 24 hours of the injury. Extenuating circumstances that inhibit you from filling out a written statement within 24 hours will be handled on a case by case basis by the Open Door Personnel staff handling your claim. Remember the facility will need prior approval from Open Door before you can be seen so you MUST call **803-960-6966** so that we can handle the facility referral appropriately.
