About Us

Open Door Personnel is an HR consulting and talent recruiting firm based out of Columbia, South Carolina. We provide all-star talent within the staffing industry. Our name was chosen because as a staffing agency we have the unique ability to be a "Door of Opportunity" between our clients and our employees. You will find with our company, that we put tremendous value on our contracted staff and their career journey so that when our clients experience our talent, this value is carried into the assignment and ultimately leads to a new career home. Contact us to find out more about our federal contracting abilities.
